

About this template file, 100 x 150 cm

- Bleed 20 mm roundabout. The image has to fill the bleed margin completely.
- No crop marks.
- Save your artwork as a print-ready PDF (PDF/x-3:2002).

For best result

- Use Adobe Illustrator or Adobe InDesign.
- Color space: CMYK
- Define custom colors, as Pantone, correctly.
- Color profile: ISO Coated v2 (ECI)
- For gradients, create an image in Photoshop.
- Picture resolution should be in between 72 dpi – 150 dpi at 100% scale.
- Use at least a font height of 8 mm. Convert text to outlines.
